Art4Peace Awards Organization

A Non-Governmental and non-profit Organization was founded by an Indian born American Citizen Dame Dr. Munni Irone to unite universal artist for peace. With an aim and objective of fostering peace around the world through individual nation's arts, cultures, traditions, spirituality, lifestyle and belief, ART4PEACEAWARDS organization was borne to **SERVE THE GLOBE**. The organization foresees India as one of the country's with potential and Indian culture as a composite mixture of varying styles and influences. The self sustained organization is working hard to create jobs and tourism, via their Wisdom land projects and art for peace awards ceremonies.

The Organization was officially established at the city of Beverly Hills, California's Los Angeles County and later registered another branch in India.

Vision of the Organization

The organization's goal is to promote the culture of World Peace and to create jobs & tourism in India and other countries via various proposed and ongoing projects and activities. The organization, through their Art 4 Peace awards, have been organizing the peace campaigns to almost 50 countries within the seven continents around the world to honour the people who stand for non-violence, love and peace and serving the people for no profit gains.

Mission of the Organization

Art4 peace awards organization dreams are to build **self sustainable shelters for poor people, MEN, WOMEN, CHILDREN and ANIMAL** alike. The five star facilitated self sustainable shelters will have it's own organic farming, ayurveda, education, medicine and recreational activities and employment to many at the same time.

Objective of the Organization

Art4 peace awards organization is trying their best efforts to create **POSITIVE THINKING** among the masses and to promote the culture of **BEING ONE and WORLD PEACE**. The organization through their various activities around the world, aims to create Self-Sustainable Shelters for the needy, **MEN, WOMEN, CHILDREN and ANIMAL** alike through their **WISDOM LAND PROJECT**.
